RADIO EXPERIENCE & SKILLS

- **Alt Ctrl** – WCRX 88.1FM June 2009 - Current
Indie and Alternative Radio Show – Thursdays 9pm until Midnight

Radio Show

Over the last year, I have hosted an indie/alternative radio show by myself and with a co-host, allowing me to work in an on-air environment with many different situations. I have produced all of the imaging for the show and program it every week. Through this show, I have been able to perform interviews live on-air and prerecorded for broadcast with artists such as LaRoux, Murder By Death, YAWN, Japandroids and more. This has given me a start-up for relations with press managers from many different companies.

Skills & Proficiencies

Digidesign ProTools – Adobe Audition – ENCO – AudioVault – Abelton Live (basic) – Apple Logic – M-Audio Torq (Dj software) – Microsoft Word – Microsoft Excel

OTHER SKILLS AND INFORMATION

VAM *Professional Photographer* 2007
In 2007, I established VAM Professional Photography. Using my love of art, combining it with self-taught photography skills, I continue to bring an innovative photography style to every job I take on. I have worked with local companies as well as artists (LaRoux, Moneypenny, Kid Color, Does It Offend You, Yeah?), dance groups, online alternative media and many independent models.

Matthew Malone *Club DJ* 2009
As an extension of my studies in radio broadcasting, I have taught myself Club DJ, using many different forms of DJ equipment hands-on, including Digital, CD, and Vinyl. I have performed at different venues around the city, including Exit, Reggie's, Lucky Number Grill and People Lounge as well as private parties throughout. Regularly, I submit mixes featured on WCRX 88.1.
